Dear Ms. Laursen,

Thank you for your participation in the Responsible Minerals Initiative (RMI) Responsible Minerals Assurance Process (RMAP).

The RMI has reviewed the process and results of Global Tungsten & Powders's Responsible Minerals Assurance Process Assessment for Tungsten (2017), conducted at the following location on the following dates:

Global Tungsten & Powders
1 Hawes Street
Towanda, PA, USA
21 – 22 May 2019

Based on the Auditor's findings and the RMI's quality control review process, Global Tungsten & Powders is conformant with the Assessment Standard for Tungsten (2017). The review covers only the facility listed above and the next assessment should take place on or before May 22, 2020. Your conformant status will be updated on the RMI's publicly available website shortly. The list of currently RMAP Conformant companies is published and maintained on RMI's website.

Thank you for participating in the Responsible Minerals Assurance Process.

Sincerely,

Responsible Minerals Initiative
