Strong metals. Strong careers.

Five really strong reasons to choose Plansee:

An exceptional employer
Our favorite metals, our roots and why you benefit from the fact that we are a privately owned company.

Good position
A job at Plansee puts you in a good position - in every sense of the word.

Fascinating variety
You won't see the name Plansee on everyday products, but Plansee is in almost all of them: The surprising diversity of our products makes our work fascinating and varied.

Respect
The way we treat each other is really great and despite all of our success, we have kept our feet firmly on the ground.
Strong development opportunities

Anyone wanting to make the most of their career will find plenty of support here.
